

Blackmer®

BLACKMER® TXD SLIDING VANE PUMPS

The Benchmark In Refined Fuel & Biodiesel Pumping Solutions

Fast, reliable, durable, and quiet operation make the Blackmer TXD Sliding Vane Pump the number one pump in the market. Blackmer stands behind our TXD pumps with our unmatched 5 year warranty and 2 year performance assurance guarantee.

If You Trust Blackmer For The Pump, Then Trust Us With The Parts

When replacing wear parts, go with authentic Blackmer parts and maintenance kits to ensure your TXD pump continues to run like new. All Blackmer TXD pumps have available maintenance kits to replace wear parts. Blackmer maintenance kits include the following parts:

1. **Duravanes®**
 - Specially formulated Duravane material self-lubricate to ensure long life and even wear
2. **Ball Bearings**
 - Specifically constructed for Blackmer TXD pumps smooth operation and long life
3. **Mechanical Seal**
 - Proven to keep TXD pumps leak free
4. **Lock Washer & Lock Nut**
 - Machined to a perfect fit every time to maintain rotor clearance and perfect alignment that prevents slippage
5. **O-rings**
 - Tested to provide optimal performance for all grades of biodiesels and refined fuels
